Reference: July Quarterly Report (4/1/04 - 6/30/04)

Dear Mr. Charles:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Senate Public Records Office by the response date noted above.** An itemization of the information needed follows:

-A review of your itemized receipts indicates a discrepancy in your aggregate election cycle-to-date totals. The reported aggregate totals on your report should include all contributions from an individual or committee given in the election cycle. Please review your procedures for compliance with this requirement and amend your report(s) as necessary. (11 CFR §104.3(a)(3))

-The election cycle-to-date totals for certain entries on your report indicate additional contributions that should have been itemized. When contributions from an individual reach \$200 for an election cycle, each subsequent contribution from that individual must be itemized, regardless of the amount. Additionally, each contribution from a political committee must be itemized, regardless of the amount. Please amend your report to correct the discrepancies in the aggregate totals for: Johnson & Johnson Employees' Good Government Fund, and United Food & Commercial Workers, Active Ballot Club. (2 U.S.C. §434(b) and 11 CFR §104.3(a)(4))

-Your committee filed a 48 hour notice disclosing a "last minute" contribution from Dominion PAC on 4/26/04. This contribution does not appear on a Schedule A of this report. Please amend your report to include this contribution or provide an explanation of this apparent discrepancy. (11 CFR §104.3(a)(4)(i))
